

December 9, 2025

**To: RABC Members & Interested Stakeholders**

Canada is planning to host a meeting of the Permanent Consultative Committee II (PCC.II) of the Inter-American Telecommunication Commission (CITEL) from August 30 to September 3, 2027. The meeting would be held at the Rogers Centre in downtown Ottawa and would be the final PCC.II meeting before the World Radiocommunication Conference 2027 (WRC-27).

Hosting PCC.II allows for increased participation of CPC members, including all Agenda Item Coordinators and interested private sector members. In addition to supporting the work of the CPC in promoting Canadian WRC-27 proposals, this event will provide a unique opportunity for your organizations to forge partnerships and promote your brand before a Pan-American audience.

As in 2015, 2019 and 2023 when Canada also hosted the final meeting of PCC.II before the respective WRCs, Innovation, Science and Economic Development Canada has asked the Radio Advisory Board of Canada (RABC) to partner in hosting this event. In order to ensure that Canada is able to successfully host, it is critical that we receive expressions of interest from organizations to participate as sponsors as soon as possible. To this end, the RABC has developed the attached program that identifies sponsorship at the silver, gold and platinum levels.

Please advise Mr. David Farnes, General Manager, RABC at [david@rabc-cccr.ca](mailto:david@rabc-cccr.ca) whether your organization would consider participating in this sponsorship program. You are also welcome to contact Dr. Adam Tenenbaum, RABC President, at [adam.tenenbaum@telus.com](mailto:adam.tenenbaum@telus.com) to further discuss the opportunity. We would greatly appreciate feedback by April 30, 2026, and earlier if possible. Thank-you very much for your consideration and support.

Sincerely,

---

Adam Tenenbaum  
President  
RABC

## CITEL PCC.II

### August 30 – September 3, 2027

### Ottawa, Ontario, Canada

### Sponsorship Opportunities

Canada will be hosting a meeting of the Permanent Consultative Committee II (PCC.II), of the Inter-American Telecommunication Commission (CITEL) from August 30 to September 3, 2027. To support the meeting, it is critical that sponsorship from industry be secured. To this end, the RABC has developed a sponsorship program to support the meeting as detailed below.

This will be the final CITEL PCC.II meeting prior to the World Radiocommunication Conference 2027 and will be a unique opportunity to forge partnerships and promote your brand, message, and strategy before a Pan-American audience.

**Platinum Sponsor:** **\$30,000**

- Verbal recognition of major support from Platinum sponsors
- Placement of Large Sponsor Logos on banners in Main Hall
- Placement of Logos in Registration area
- Placement of Large Sponsor Logos on screens and signs during entire event
- Opportunity for exclusive hosting of delegate reception.

**Gold Sponsor:** **\$20,000**

- Placement of Sponsor Logos on banners in Main Hall
- Placement of Sponsor Logos on screens and signs during entire event
- Placement of logos in luncheon area.

**Silver Sponsor:** **\$10,000**

- Placement of Small Sponsor Logos on banners in Main Hall
- Placement of logos in coffee area.

To take advantage of these limited opportunities, contact the RABC's General Manager, David Farnes, [david@rabc-cccr.ca](mailto:david@rabc-cccr.ca).
